20	M.Ashton	W21	71.9	6	41	D.Street	M60	9	3
21	B.Hart	M70	69.2	8					

The first set of results this season from 19 events. Anyone having run at least three of these is included. At this stage the results are usually in favour of those having done the most runs being able to drop their worst scores eg. zero for mispunching or retiring – one for every six runs! Lots of local and prestigious events further afield coming up to set the scores straight.

Joan Hambleton
