25	C.Jacobs	M13	66.9	5	51	N.Jacobs	M40	31.8	4
26	K.Hudson	W21	66.6	4					

Do not panic. Until you have sufficient runs recorded you can't start dropping your worst results! That is one in six, so all is skewed at this stage of the season. This initial table is culled from 27 events and those members competing in at least three of these are included. However 98 Sarum members have recorded a run so far, which is quite a record. Enjoy the mud and water and pray to the sun gods.

Joan Hambleton
