Another strange year but I felt we should have some continuity even though only 20 events are represented here – starting with Agglestone and concluding with the British Champs weekend at Braunton Burrows. The overall winner for the second season in a row is Rob Ashton; Charlotte was again the first lady and the leading junior was Barnes Dickinson. Although I have only included Sarum members who have competed in at least 3 of the 20 events, there was a phenomenal Sarum turnout for the event at Rushmore in April.

Fingers crossed for a thriving 2021/2022 season.
